

Jorge Martínez López

Telecommunications Operations Manager

Experience

Professional Experience

- 2013–Now **High Touch Operations Manager**, *Cisco Systems*, United Kingdom.
Delivery of High Touch Technical Support and Global Technical Centre services to Cisco strategic customers.
Being familiar with the customer network, organization and support history, act as the main point of contact between the Cisco organization and the customer to ensure timely resolution of critical issues. Carry out reporting, SLA calculations and trending analysis.
- 2009–2012 **Technical Project Manager**, *Alcatel-Lucent*, the Netherlands.
Consultant in the Global Customer Delivery team in the Benelux.
- System Integrator Lead for three large projects in the IMS Solution Integration Office for a large Dutch wire-line operator:
 - Supervised a Technical Project Manager in each project, overseeing schedules and resource planning on all three projects and liaising with the other leads.
 - Led pre-sales support by providing requirements definition and commercial offers for the three projects. Offer definition included in-house hardware and services plus third party resources.
 - Responsible for vendor management within each project, including compliance, offer management and regular project activities.
 - Mentoring activities and on the job training for two new hires for almost six months.
 - Tool specialist consultant in a managed services project for a Belgian 2G/3G mobile operator:
 - Responsible for the Operations Support Systems (OSS) tooling (BMC Remedy ticketing, Netcool alarms) for both incident management and new requests to the service provider.
 - Involved in ITIL-based Operations and Rollout processes design, implementation and improvement.
 - Supported integration activities providing input to the project team with respect to tools and processes.
 - Responsible of the delivery and agreement with the customer of 100+ operational reports (including KPIs).
 - Contributed to the disaster recovery plan and co-authored the exit plan.

Volunteer Experience

- 2004–2007 **Various roles**, *Erasmus Student Network*.
